PRESS RELEASE FOR OCTOBER 2004

ATTENTION MINORITY BUSINESS OWNERS

**MINORITIES CAN PARTICIPATE IN CAPE FEAR VALLEY HEALTH
SYSTEMS OVER 90 MILLION DOLLAR EXPANSION PROJECT**

Cape Fear Valley Health Systems, its Board of Trustees, the County Commissioners and Turner Construction Company have opened the door for minority participation in its over 90 million dollar expansion project. In accordance with a resolution adopted by the Cumberland County Commoners, Cape Fear Valley Health Systems has a minimum 10% goal requirement: allocated for Minority and Women businesses for the expansion project scheduled to begin in May 2005.

In a major recruitment effort and as a means to assure maximum minority participation, Turner Construction Company, the construction management team on the project, has formed a partnership with Mr. Wilson Lacy, President of BJL Construction Company, Inc. BJL Construction Company, Inc. in association with Cumberland Regional Improvement. Mr. Lacy will assist in the recruitment of minority businesses via marketing and advertising efforts and by providing pre-qualification and certification workshops. As a minority businessman for over 40 years, Mr. Lacy understands the financial impact that a contract with his project can mean for minority businesses. His key goals are to provide the necessary support in getting minority businesses certified and prepared to bid for the various levels and types of contracts available through Cape Fear Valley Health Systems expansion project.

Contractors are needed in multiple areas during all phases of contracting to include suppliers, vendors and other construction trades. Local Minority businesses are highly encouraged to make contact. For additional information regarding pre-qualification and construction timelines, please contact Mr. Wilson Lacy at 910.988.1707.
